PROFESSIONAL SUMMARY

Full Stack Developer skilled in Django, React.js, and Express.js with a strong grasp of RESTful APIs, database design, and responsive UI development. Proven ability to build scalable web applications and collaborate in agile, cross-functional teams.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML5, CSS3

Backend: Django, Django REST Framework, Express.js, Node.js

Frontend: React.js, Material UI, Tailwind CSS

Databases: MySQL, MongoDB, SQLite

Tools: Git, GitHub, Postman, VS Code

EXPERIENCE

Aara Groups

Jan 2025–Present

Junior Backend Developer

Lucknow (Onsite)

- I built and optimized **Django-based RESTful APIs** and improved middleware and session handling, which reduced response time by **20%**.
- I collaborated with frontend teams and integrated **secure authentication and validation** to ensure seamless data exchange across the stack.

Soft-Flew Technologies and Training Institute

Jun 2023–August 2023

Backend Developer Trainee

Lucknow (Onsite)

- My team and I developed a role-based Library Management System using **Django's MTV architecture** and completed the project in a 5-week sprint.
- I streamlined backend components for reusability and used **Git** to maintain version control, which contributed to efficient code collaboration.

PROJECT

Portfolio Website

December 2024

React.js, Material UI, Express.js

GitHub

- Created a **personal portfolio** site to showcase projects, skills, and experience.
- Implemented mobile-responsive design using Material UI and **hosted** on **GitHub Pages**.

Gmail Clone

October 2024

React.js, Redux Toolkit, Express.js, MongoDB, Material UI

GitHub

- Cloned Gmail UI with compose functionality, inbox management, and user authentication features.
- Managed state using **Redux Toolkit** and persisted data with **MongoDB** via Mongoose.

Attendance Management System

July 2024

Django, DRF, SQLite

GitHub

- Designed and developed a secure Student-Admin panel with role-based authentication and authorization.
- Implemented a task and attendance management system with secure admin-student roles, enabling admins to assign tasks, students to submit them, and both to mark attendance.

EDUCATION

B.N. College of Engineering and Technology (AKTU)

2020–2024

B. Tech in Computer Science and Engineering (CGPA: 8.18)

Lucknow, UP

Lucknow Public College (CBSE)

Intermediate (66.6%)

2019–2020

High School (72%)

2017–2018
